2022/23 Dues Assistance Application Form

Introduction:

This document outlines the application parameters for the Washington Premier Football Club's (WPFC) Dues Assistance Program for the 2022/23 season.

WPFC strives to provide players of all economic backgrounds an opportunity to play soccer at the highest level. There is, however, a limited pool of funds from which to grant dues assistance. The amount of assistance depends on the number of qualifying applicants. Every qualifying applicant will receive some assistance. **Assistance will vary, but typically will not exceed 50% of player club fees.**

Once awards amounts have been determined (approximately one month following completion of tryouts) the award amount will be divided by the number of months left on the player's financial agreement to determine a monthly assistance amount. The amount of the assistance will be applied monthly to the player's account to lower the player's monthly financial obligation.

Players receiving dues assistance must be signed up for the auto payment plan in Sports Connect using a valid credit/debit card or they can use their financial institute's on-line bill pay system. Payment must be made monthly to avoid the late fee and to be considered in good standing. Any account that falls behind may forfeit additional dues assistance.

Players will be notified of the amount of their monthly assistance and what the monthly financial obligation will be. Dues assistance does not cover the uniform or team fees. Uniform and team fees are the responsibility of each family. For those applying for dues assistance, the committee requires an initial payment of 10% of the total club fee due upon accepting a roster spot; for U9 and U10 players the amount is \$180, for U11 and above players the amount is \$250.

Eligibility:

In order to be eligible for dues assistance, the player must meet the following criteria:

1. Must make the initial payment due (see above)
2. Must qualify for the Federal School Lunch program
3. Must be in good standing with WPFC - no past dues owed to the club

How to Apply for Dues Assistance:

Washington Premier FC 2022/23 Dues Assistance Application Form

To the best of my knowledge, I declare the information contained in this document to be true. If awarded WPFC Dues Assistance, I agree to participate in all club fundraising events, and work with the club volunteer coordinator or designated individual to complete the 6 additional hours of service to the club for my family receiving assistance. I understand this is in addition to the 6 hours of service per family, required of all WPFC members. I understand that if I do not complete the required volunteer hours, I may be ineligible for Dues Assistance in the subsequent season.

I understand if I do not meet the terms and conditions of the WPFC Dues Assistance Program, and/or not making the scheduled payments may result in the revocation of my player's "Player Card." In addition, I understand that the player may only be allowed to train and play when the player's commitments are met, and/or the player account is considered in good standing.

I understand that the Dues Assistance Committee reserves the right to make awards based on special circumstances outside of the parameters outlined of the Dues Assistance application.
